*Make sure your child is dressed for the weather. We make every attempt to get outside each day. *Keep Final Forms up to date so we are able to contact you in the event of an emergency.

Health and Well Being

A reminder that students who are out ill are welcomed back after being fever free for 24 hours (without a fever reducer, like Tylenol, and temperature less than 100.4°). Make sure you contact the office to let us know your child will be out due to illness.

Red Ribbon Week Celebrate Life by Staying Drug Free

We had a fun dressing up each day for Red Ribbon Week. Thank you to the PTO for our Party in the Park. **Thank you to McDonald's**, **Chief, Walmart and Dairy Queen for your generous donations to our PES family!**

Book Fair Update!

Due to the school closure today, we will have the book fair open on Monday for students that were supposed to attend today. Parents you may still purchase at conferences this evening and tomorrow morning!

7 Mindsets We are Connected!

We just completed our second topic for 7 Mindsets. During the month of October, we focused on the theme: **Passion First**. Students identified what strengths they have and what things they are passionate about. We have explored our interests and are practicing being authentic. Being authentic means that I am true to myself and the goals I have for my future!

November's Mindset is: **We Are Connected!** This unit will encourage students to seek out positive relationships with people who can help them achieve their dreams. We will explore the idea of surrounding ourselves with people who build us up and inspire us to live our best life! We will learn to actively seek ways to offer kindness in order to strengthen these relationships.

*Each class selects a student that represents the monthly mindset.
